

Battle at Blue Licks, KY August. 1782

AUG. 1872, Blue Licks, KY

But like the battle itself, the true facts as to the names and number of participants has mostly been lost to legend. To my knowledge, the only contemporary record listing participants in this battle comes from the list of American Prisoners, who were returned by the British to the United States on July 18, 1783 (*Chris McHenry, Rebel Prisoners at Quebec, 1778-1783, (no publisher, 1981). This list was obtained from the Haldimand Papers, Ms 21,843, Microfilm Roll A-765.*). These are said to be from the Kentucky district of Virginia captured at the Battle of Blue Licks in August 1782; they are as follows:

Jno. McMurtry, age 31|Jas. Legerwood, 25|Hugh Cunningham, 48|Mathias Rose, 21|Lewis Rose, 32|Jno. Morgan, 21|Jesse Peek, 24|Jno. Stepleton, 30|John Price 24|Jesse Yocum 18|John Neal 17
